# Library in the backrooms

## 330

You stepped into the wrong hole in the ground and found yourself stuck in the Backrooms. The room looked like a library, with a hallway so full of books that you couldn't even see the end of it.

Just when you finally woke up, you found a piece of paper lying by your side. Here's what it says:

"You are awake, good. You'll be stuck here forever, unless you find a book that has the passcode so you can get out

The book is located at

at walls 3, shelf 2.

the title should be ya,gezorzzgaoc,mpgogdesli volume 11 It should be at page 197"

Can you find the book and read what it says?
